Jeff Walker - Launching Your List Training Course

Postby raonn on Mon Feb 07, 2011 8:52 am

Image

A brand-new full-blown course on how to build and profit from a list

this course teaches you the complete "flow" of building a list, creating a great relationship with your list, and

how to make a ton of profit from that list.

There's a new version of this - 2.0, apparently -- and these links are dead anyway :-(

I hope someone can grab the new one and/or re-up this one.
