Thread: Disable your victim's Windows Firewall using Metasploit-Tutorial by Spirit

spirited_wolf™ - *January 10, 2016, 7:31 am*

So, Hello Guys
I am Spirit as you all know and today I am here to teach you how you can Disable or Enable your Victim's Firewall :)
I Hope it will really help you in exploiting :D
and let me know if i have done any mistake :D please

No problem brother

kmz22222 - *January 11, 2016, 8:46 am*

Well.. i won't say this is a bad tutorial but you did it on a windows xp.
so that means it wont work on windows 7?
who is still using windows xp right now?
but.. What if my victim is not running windows xp?
whatever.. thanks for making it.
