Thread: Who's HF profile would you like to have?

Tando - *February 20, 2016, 1:40 pm*
I don't think this has been asked before, I'm curious. Maybe a user has all the awards you want, or the rep you want, or the name you want. Who is it?

Griev?us - *February 20, 2016, 1:40 pm*
I want 'Snorlax's before he was banned w/ all those awards.

minimalist - *February 20, 2016, 1:41 pm*
Anybody with the Asswipe award is a member that I envy. I really want that award.

Frenzied - *February 20, 2016, 1:41 pm*
Omni? Like srs LOL

It would be ban md5 the first thing I'd do :D

BaiN - *February 20, 2016, 1:41 pm*

Tando - *February 20, 2016, 1:42 pm*

Stashyy - *February 20, 2016, 1:44 pm*

Kinda wish Omni would let him back in, but I guess that's not really the case.

Right now he is just focused on running his own forum, instead of HF.

But I think it would be awesome to have -Nyx's account xD

I'm quite happy with my own to be fair, whenever I have an account that isn't mine I feel very.. out of place and weird.
I'd rather my own account with 0 posts and 0 rep than an account with say 500 posts and 500 rep because it would just feel weird having someone elses.
