Thread: [INSTANT PAY] Earn $0.10-$10 EACH Survey in BTC or Paypal 5 MINS!

HailFromHF - *June 29, 2016, 1:31 pm*

UPDATE: If you want to make easy online money follow this thread instead:
https://hackforums.net/showthread.php?tid=5394807
UPDATE: I've stopped for the moment, will tell you when I resume.
NOTE: Make sure to NOT get redirected to ANOTHER survey page. Or else the survey won't be marked as complete.
MUST READ:
http://mrcrackworld.com/other-hacking-tools/how-to-complete-survey-and-unlock-download-tutorial

This range applies to Western countries (and developed Eastern European/South American ones).

For less developed countries (e.g. India) the range is between $0.01-$10.

Completing surveys on a mobile will yield more money.

There are many surveys daily which are on offer, and I pay as soon as the survey has been marked as complete.
