Thread: Kylie Cosmetics Lip Kit By Kylie Jenner - For Your Girlfriends, Moms, etc

#VapeOn - *June 29, 2016, 11:54 pm*
I have around 60ish pieces in stock. Out of stock on Kylie's website. Extremely popular brand.

PayPal only. $30 a piece. Everywhere else you go for this price is either a fake and/or from China.

Hit me up if interested!

The question is, why are you selling them for zero profit? They go for $30 on release. These are definitely carded.

Are there any proof these are authentic and not a replica?
