Alright guys so I was selling this in the eBook Bazaar but only got one sale and not much interest so I decided to give it away for free. I worked really hard on it and it is my first eBook so please leave feedback/vouches. I am not going to have you PM me for the link because I do not want my inbox to get spammed so the link is below:

<http://www.filesonic.com/file/1263001464>

So please vouch for me since I made this to make money and dont even give you a shitcash link. Tell me what you think of this eBook as well!

Enjoy!

can you tell me what this e-book is about(is it a blackhat or anything similar)

Fatality - February 24, 2011, 6:52 pm

None of the methods in here are blackhat. Some are grayhat but more are whitehat.

RKO - February 24, 2011, 7:59 pm

This is the only best E-Book I've every seen here. This is best.

Fatality - February 25, 2011, 12:37 pm

Thank you for the feedback RKO. I am glad that you enjoyed it.

Office4ever - February 27, 2011, 6:54 pm

Pretty great guide thanks!

saintcj - February 27, 2011, 8:22 pm

Downloaded the guide. Hope it works and help me. :) Thanks for the share.

Metal Tiger - February 27, 2011, 10:09 pm

+Rep for OP for posting unique work, and no PM bullshit.

Will download later.

daziam - February 28, 2011, 1:09 am

Unique and Original Ebook, Well done, Loved it.

Fatality - February 28, 2011, 1:58 pm

Thank you everyone for the feedback! I am glad that you are enjoying it and I hope you make some money! PM me if you need help with it.

Shannou06 - March 1, 2011, 3:42 pm

What is it about? ...

Porn videos? e bay shit? How to fry an egg?

Hairlock - March 1, 2011, 4:03 pm

Thank you!

I've just created a Fiverr account ? sounds entertaining.

ninjashade - March 1, 2011, 4:35 pm

I didn't open it yet,
but Thanks for sharing your ideas.

Fatality - March 3, 2011, 6:02 pm

Glad everyone is enjoying this.

timtomnaru - March 3, 2011, 7:00 pm

thanks I will let you know what I think.

Cokezilla - March 4, 2011, 3:40 pm

a brilliant ebook, thanks!

Will download later.I agree with this, I would +Rep if I could. Glad to see some unique stuff being distributed. And not with the "PM me" Crap where 90% of them stop responding when there PM box explodes after like 4pages.

Downloading now, I'll let you know what I think about it.

Edit:

Just finished the Ebook, And I thought it was a nice read, Although I did know about most of the things in the book, I did learn a few things.Thanks for sharing :}!

gort2470 - March 4, 2011, 4:25 pm

trying this out tonight hope for the best plan for the worst thanks guys

Fatality - March 4, 2011, 4:43 pm

No problem everyone. If you have any other ideas we can combine them and I will update this eBook!
