Thread: [\[Graphics Forum\] Looking for trust-able members for staff!](#)

Flashnox™ - February 25, 2011, 1:48 am

I am looking for around 2 or 3 staff members that can help my site.

You must be trusted and active in the site to receive a promotion to staff.

The site is a forum dedicated to graphics and contains Graphics of the Week, Team Battles, Galleries, Classing, Graphics Marketplace, and much more.

I am also working on other aspects that will help the site such as a portal, member-dedicated gallery off of the forum, etc.

- 1] Sign up here: [FlashGFX](#)
- 2] Post high quality posts, tutorials, and resources.
- 3] I will choose members that is suitable for staff.

I will also be giving out free Premium memberships to those who do not get a position of staff if they are suitable for it.

The site is relatively new and it doesn't have a lot of members yet.

Things that may help:

- Posting High Quality Posts
- Posting Resources and Tutorials
- Helping members
- Referring friends to the site

Fail graphics forum. Completely dead.

Now THIS is a good forum. <http://www.fringefx.net/forums/>
