I just bought two of these (97% gone). This is a Canon Authorized Dealer.
canon authorized dealers list: http://downloads.canon.com/dealer/canon-ad-4-20-17.pdf
http://www.ebay.com/itm/201909093560

$299.99 - $250 MIR = $49.99

Includes Canon CLI-42 8 color ink (worth ~$80 on amazon/ebay) + 50 sheet semi-gloss A3+ (13x19in) paper[/align]

Yup same here invalid.

Check the code OP? Maybe a mispell?

It's not a coupon code... It's a mail-in rebate.

It's a coupon code + the mail-in-rebate to get the $79.99 price.

Coupon code is not misspelled, it's expired. At the time of posting the thread there was less than 24 hours left to use it.
