Thread: Would you get fucked in the ass every day for $100k/year?

Alexander - *March 19, 2017, 7:20 pm*
Imagine being able to relax all day, not worry about money, and enjoy life - except for 30 minutes of daily ass fucking. Let's say it's a 40 year old man with an average dick.

I'd take this deal in a heartbeat. How about you?

If you say no, could you please state what occupation you are currently in and approximately how much it earns you?

Classic™ - *March 19, 2017, 7:21 pm*
30 minutes is a lot. i'd do it for a bit less of time

Kaleb™ - *March 19, 2017, 7:21 pm*
Definitely would no doubt. That's a pretty good amount of money.

Ace of Knaves - *March 19, 2017, 7:22 pm*
Not a chance in the world I would go for this

synboxin - *March 19, 2017, 7:22 pm*
I would not, I could get a job that I enjoy and get that much if not more a year.

I would not enjoy being fucked by a man so I would have to pass on that offer.

sm?ked - *March 19, 2017, 7:23 pm*
No I would prefer to not have a crater in my ass so no ty

Why not? Perhaps you already have money. Personally my income right now is at approximately $5 a year.

Well, that's an unknown variable. If you're concerned with that, I would just state in a post that I would do it, but only if he doesn't cum inside.

No, in this case nobody has to know. Also it's the same man every day. And you don't have to perform for the camera, do weird angles, etc.

What the fuck is this gay shit.

OP are you under 18 and getting preyed on by a 40 year old man?

The only way this question comes up is if you have the offer from a rich man; you're taken care of fully but fucked in the ass every day.

Can you still have girlfriends and shit? Or do you have to live with the man and when he wants to fuck you he does.

Or like can this be dirty back alley shit?

2073436 - *March 20, 2017, 3:23 am*
No thank you, this isn't morally correct in my situation. I'm not gay.
I wouldn't enjoy 100k per year knowing I will get fucked before going to bed or w/e.

Not even for $100M per year.
