Thread: Maplestory Accounts Level 200 for $15 SALE Save $5! ALL SERVERS AND CLASSES

Kromori - *April 4, 2017, 6:02 pm*

I offer designer accounts for any server and any job. There are also various ready made accounts available so you can skip the wait!
SALE! ORDERS OVER $15 GET A $5 DISCOUNT!
Ends April 5th

To custom order a character simply fill out this forum below for each character you want on the account. You will get to keep 100% of the mesos and rare items your character gets in the leveling process. Other people who offer this service sometimes take mesos and valuable items from the accounts so they are able to sell them for additional money. We believe all the hard earned mesos and items your character farmed belongs on your account not ours. I will make sure you are happy with the username before I create your custom character. If you do not have a preferred skill setup I will use the skill guide from ayumilove to set up your skills.
