can anyone confirm this works?

jeejeepower - February 28, 2011, 5:26 pm

Edit the title, just checked your shells and only 63 are not dead and they are publics.

I know why no body did not paid for this list.

Downloaded fine on my end mate.

Try It via another browser, and If need be, a different architecture also.

nice man this is very good

[b]/[b] - March 12, 2011, 10:09 am

Dang! Awesome! Are these all webdav? Thanks a lot!

Yingeh - March 12, 2011, 10:37 am

Awesome shells, thanks dude ;D

Swish - March 12, 2011, 10:39 am

Thanks for the shells! Very appreciated!

TwilightSpurkle - March 12, 2011, 10:44 am

i know that this is a noobish question but what are shells? what you do with them?

Bosku - March 12, 2011, 10:47 am

wah,this is large list of shell..

Thanks for sharing mate!

TwilightSpurkle - March 12, 2011, 11:03 am

Che Guevara plz tell what shells are.

Brendannn - March 13, 2011, 10:55 pm

Glad I could help. I'm surprised that this thread hasn't got more views though...

CallMeDeviil - March 20, 2011, 2:07 pm

thanks for the list it really helped :)

Tittles96 - March 20, 2011, 2:53 pm

How do you make shells? I'm kinda new to this.

Kotei - March 20, 2011, 4:04 pm

Nice attempt at getting rep, hardly any work.

Ludus - March 20, 2011, 4:53 pm

You should have paste binned it lol, other then that thanks :)

mcmaster-99 - March 20, 2011, 4:55 pm

most likely a virus/malware

Why would I turn on hf now after 1200 posts?

_joel - March 21, 2011, 3:43 pm

not even one works properly, thanks for the effort though.

Soots57 - August 3, 2011, 6:17 am

Thanks alot bro

Really helped

P.s Paypal suspended can't donate :o
