Thread: [Easy Traffic + Money guide! FREE traffic to your websites / or free PayPal money](#)

PiDGET - March 1, 2011, 6:15 am

I'm introducing a new website, where you can buy or get free traffic just by viewing other ones website(exchange is automatic) You can select where your traffic comes from, so defiantly useful for click fraud and so on!

You view 4 websites automatically -> 4 AutoView credits -> 4 traffic to your website or 0.0001\$

4 traffic takes around 1 minute of just idling.

You can also view websites manually, and earn A lot more.

Just post here, send me a PM and I will send you the link!
