Post some proof.

I could say I made today 5 Figures while I made way less.

Post the pictures with spaces between characters, you'll be fine.

From that comment I'm going to assume you know nothing about selling and buying drugs, because no one in the drug game usually has crisp hundred blue bills.

This is correct. I know about selling and buying drugs. The only drug I buy is weed and prescribed medication from my doctor.
... And the only drug dealers I've had contact with, which, I'll admit is very few, always for whatever reason, had crisp $20 bills

or $10. I was like "...Damn bro".

that image doesn't prove anything, i can get fake hundreds from walmart they are sold as "props" besides that the material in the bills don't look real and i garuntee you couldn't upload a photo showing over ten bills at once as they have relapsing serial numbers.
