Thread: Triple your Investment [LIMITED E-BOOK]

DomeTM - *August 24, 2017, 2:44 pm*

Hello guys today i'll sell a limited e-book [10 People only] how to triple your investment.
The investment has to do with CSGO.
To buy the eBook hit me a PM. The price will be 50$ for one copy.
I will only accept BTC - PayPal only with Friends and Family + trusted people.

Says every eBook seller on HF. I'm sure if there was a way to triple your money with CSGO, everyone would know it. It probably has to do with buying and selling. Good luck selling this if you're not gonna give out vouch copies.

Its probably just going into a private server, idling or just killing noobs to get in game coins. Then selling those coins/points/money to others for a cheap price
