Thread: [ZIP/RAR Password Cracker - Advanced Archive Password Recovery 4.50](#)

Mister ? - July 28, 2009, 4:59 am

Well there had been a lot of requests in this [thread](#) for a ZIP/RAR password cracker. So I decided to make a new thread.

post a virus scan, and some more info/pics

Moscow - July 28, 2009, 6:30 am
thanx bro!!!
cud u post the scan results !!!!
ur the greatest!! :D

Sud0x3 - July 28, 2009, 6:33 am
Allready have it, its got a really slow bruteforcer

Mister ? - July 28, 2009, 8:55 am
@NeoX12: Just open the spoiler ;)

catlover - August 10, 2009, 9:18 am
Thanks for sharing. But it will take a lot of time to crack

eneakume - August 10, 2009, 9:22 am
looks great. thanks too shoort

iKorkSkalle - August 10, 2009, 9:28 am
Yeah it may take some time but the program is good anyway =)

TsgH Mike - August 10, 2009, 8:53 pm
Thanks lot for this m8.

meow69phil - August 10, 2009, 10:22 pm
cant download im from philipines it says alldownload is not available in my country can u upload to #
or mega upload?

Nigward - August 10, 2009, 10:23 pm
Good post but these take way to long.

zackwg23 - August 10, 2009, 10:45 pm
Thanks trying to use it now!

/etc/security/access.conf - August 11, 2009, 6:54 am
It looks great, thanks man i'll trying later

shalomking - August 11, 2009, 7:02 am
i've tried this once
i don't care it takes much time but it doesn't really crack a rar file...

Mister ? - August 11, 2009, 2:08 pm
Download (only 10 times): [Click](#)

Sanee Moron - January 11, 2010, 6:38 pm

? dude pass ain't working!! do i need to brute force for it's pass? ? ?
dude plz if u got another pass so give it ,so that i could try it ?

***[Sense]** - January 11, 2010, 7:14 pm

It's buggy for me. ;\

xenochi - January 11, 2010, 9:11 pm

this can come in handy, we'll see. thnx.

kurokai - January 14, 2010, 12:18 am

this is great! thx for sharing Mister... ^^

MiNi-SO - January 14, 2010, 9:29 am

The scan result after installation, is positiv , but tested it and worked for me ^^

aldamith - January 14, 2010, 9:32 am

could u upload it to megaupload, speedyshare or something?
"We are sorry, but all downloading slots for your country are busy." :(

EDIT

nvm :) downloadin now
thnks for that :)

TehShrink - January 14, 2010, 9:52 am

Thank you for the program. :)

MikeTechSecurity - February 5, 2010, 5:32 pm

ERROR MEN! password rong

nasheed - February 6, 2010, 12:15 am

looks like good one i have been searching for a long time for this kinda software but
it says "We are sorry, but all downloading slots for your country are busy."
can u plz upload it to some where else plz
thanks.

Hide_My_Ass - February 6, 2010, 12:17 am

If time is that valuable then just program/buy a good 1

Thanks for the share

Grave Digger - February 6, 2010, 12:47 am

plz can you give another downloading link coz that one didn't work for me

amx93 - February 6, 2010, 12:52 pm

come on give a new dw link .. wow

Time remaining: more than 1 year...

for bruteforcing the rar that the bruteforcer was in...

and it takes too much RAM however I have 8GB of RAM

for me this bruteforcer is like all the others : fail!

It's just a brute force program, the chances to get the password are like 1:100 000

CryptoMatic - August 2, 2010, 7:26 am

use the bruteforcer in backtrack 4. it's muuuuch faster

Proxy maybe? There are so many free proxies.

denominator13 - May 3, 2011, 8:58 pm

Thank you for the tool, first one that I have which is 100pct working with no restriction :) Got a nulled video sharing script BUT the rar has a damn password >.> I don't care how long this prog takes just as long as it works :) Thanks again for the full version of this.

jokerXxx - August 29, 2011, 8:45 am

Thank you i hope that on my rar is not long password

l0daka - August 29, 2011, 10:23 am

well thanks man! i like that but its kinda slow :(can u say to me what are u calling these programs? bruteforcers? please pm me

telmo_d - August 29, 2011, 3:51 pm

i was looking for something like this

is there any other program faster than this?

let me know if there is

Nope, bruteforce is the only way without beating the password out of the person that made it.

king_hendra - October 23, 2011, 3:47 am

is there another rar password cracker that faster than this one ?

Sjobosb1991 - October 23, 2011, 4:01 am

I've used this one for a very long time, however bruteforcing anything takes aggeess

Thx for sharing. You do realize of course that it mosz probably would take years to find the right password? Up to now nobody has figured out how to extract the right password in Rar-files (I think). Zip-files can use plain-text, but rar? Forget brute-force (takes ages) and dictionaries don't seem to work too well either. What do you think about rainbow-tables? Anyway - I'll try it. Thanks again.
