Thread: [I need a Good User admin list and Password list for Bruteforcing please!](#)

Spaceink - March 5, 2011, 2:36 am

Hey!

Im using Hydra with Backtrack 4 and now im in the need for a good User list with Admin/root/administrator/ words and a password list with good and affective words!

Would be glad if you could send me or link me anything. PM or just link..

Thanks /space ?

Can you make a post of it or pm it to me?

I would need it too!

?

thanks!
