Thread: Small facebook related rant

White Partyhat - *April 16, 2018, 7:35 am*
just wanted to get this out there, but does anyone else get absolutely fucked off when people mistype your name on your own post? where it clearly says your name at the top? or like in messages or shit.

Idk about you guys but I get propper fucked off when that happens

Otis???????????????? - *April 16, 2018, 7:37 am*
It doesn't really bother me.

Judge Judy - *April 16, 2018, 7:37 am*
Yeah, makes me want to punch holes in a stone wall, like very badly.

spradebassen - *April 16, 2018, 7:39 am*
unless your name is chingweisz or someshit then i guess yea

Yeah, up until the point when there's more holes than there is wall.
Triggers me beyond belief.

Mr. Robot - *April 16, 2018, 7:55 am*
This has never happened to me nor have I ever heard of it happening to anyone ever.

It's more when people do 'mr robot' or 'mrrobot'.
