jw how were these obtained? cracked?
to minimise risk of suspension and if they can be recovered.

I'm interested

Pretty much all of them were obtained from the original email on file, majority are hotmails which I used a exploit to update the security info to my own, all emails with dormant and not used for years and years, super safe

**@Element** - *July 22, 2018, 4:06 pm*
Still have this for sale so come and make contact if you're interested

**JakeRGN** - *July 26, 2018, 5:36 am*
Im interested in Lxrx, can you add my Discord: jake#4675

**@Element** - *July 31, 2018, 4:20 pm*
