Thread: [\[Free\] Netflix Activations For Netflix Ready Devices \[L33T/UBER\]\[Free\]](#)

Blixy - March 13, 2011, 7:06 pm

I have 5 activations, so they are first come first serve to L33Ts and UBERs, doing this to give back to the community that taught me everything I know!

PM me your code and I will activate you.?

This is a US Netflix Account Also

There's 3 left now so you better act fast

@Fossil: He can't. Netflix allows for up to 5 devices to be connected to one Netlix account besides PCs. PCs need direct access to the account for it to work.
