How is this Investing:

Well basically, i recieved 15\$ from ShitCash and im also running through CPALead. Since i got paid from shitcash, i invested about 10\$ on MinuteWorkers and made money 50% quicker on CPALead. Im also making lots more! Each day i would only have about 1-2 Leads, and only 15-30 Clicks. Once i started to use MinuteWorkers it boosted me up by a lot. Now im getting 100+ Clicks and 10-20 Leads per day.

how long does it take for them to approve your job?

Always Sad - March 16, 2011, 9:31 pm

It shouldn't take long, only a couple of hours if your lucky. But the max , is 1 day.

What do you make them show for proof?

Always Sad - March 26, 2011, 12:00 pm

Confused? What are you trying to say?

CiF - March 26, 2011, 12:23 pm

when you put the minute workers ad for 20 cents per thingy or what ever they ask what they have to show you as proof that they completed the task.

Their IP address, and then you check if they are telling the truth.

I think that you merely posted this, to get referrals for minuteworkers, not "to help the community".
