But if he does scam the buyer then they can show Meth and Meth can then disable his license and give to new owner.

~Chole - March 18, 2011, 5:21 am

Yes correct , and the conversation is with Me and the owner of Coollogger , So their no scam

morbotz - March 18, 2011, 5:30 am

Maybe I am interested too. And soon will have the money.
alexchowe@abv.bg is my msn. :)

1. He's selling a license
2. He has -rep for 1starring some threads, what does that relate to anything?
3. As if rep even mattered?

HURDURHUR
