Thread: [How to get Free Facebook Poker Chips](#)

hackstock90 - March 19, 2011, 2:14 pm

Hey guys and poker fans :)

In this thread im gonna show you how to get free facebook chips :).

I didnt try this for my self, i dont play poker but i got it from a friend and i though that i should share it with you :)

1) Register on this site

Code <http://www.tpchips.com/>

This website is used to make chips by earnings points.

2. Earn points: To be able to offer our users FREE Texas Poker Chips , you need to earn points. Earning these points are FREE, and you just need to complete a few surveys to get enough points to claim a free Texas Poker Chips. You can also earn points by signing up to some trial offers, but we recommend you stick to the free surveys for now.

Or You can get chips by referring members to join under your link :)

Go to

Code <http://www.tpchips.com/members.php>

For every sign up you will earn points.

What are points worth?

100 points = 2 Million Poker Chips

200 points = 5 Million Poker Chips

800 points = 30 Million Poker Chips

You need 200 points before you can redeem chips.

How to earn with referrals.

Simply put your links here on this thread and sign up on other links of users and other will do the same . After all we are a community :)
