I'll take a vouch copy, feel free to look through my B rating and things I've purchased in the past to give you an idea of my validity. I've purchased over 1k + of methods on here and none of them have worked, so if yours does actually work, it'll come from a valid source.

Thanks.

do we need to use a secondary or burner paypal for this?

our main paypal account will be at risk?

do we need traffic and do we sell things?
