Thread: Unlimited Google Shared Drive [NO EDU EMAIL]

vyactor - *March 27, 2020, 9:31 pm*
You can have a quick unlimited google shared drive for free.

Post below and I'll PM you the method.

PMing me to ask for the method will be ignored.

Just make sure you don't store anything important in these drives as your sole backup. These are education/cooperate drives and may go missing anytime if the administrator decides to remove your account. It may also go missing if the owners decide to shut their business and stop using Google as their service provider. If anything happens, Google won't be able to help out.

I'd use this mostly for non personal stuff.

Regardless good share. Thanks OP.
