Thread: [Giveaway - Regular Minecraft Users!**FREE**](#)

danbirk - March 24, 2011, 12:04 pm

Im giving away regular Minecraft accounts.
NOT Premium!

Im givin them away since i have no use for them.
Atm i have 10 accounts.

Post here and you'll get one!

OPEN TO ALL MEMBERS!

Would like one :)

Deeply appreciate an account

Be careful guys these are free accounts.

The password is "123456" when you get the account and he expects you to change it. Once you do it he will use the "forgot password" method and see what your password is hoping the password works on your other accounts

Theyre cracked accounts?

Ive bruteforced them.

What the fuck did you really expect? -.-
