I've received a vouch copy from OP.

I can confirm that his service is fast reliable and includes everything from the thread. If you need this type of service, I don't see any reason not to give OP a shot. ?

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Did you fail to read the post and view his profile, lol? Man is banned, and has not been online for almost a whole entire month now.

Good luck.
