Thread: Sell my PRIVATE METHOD GETRICH $50/DAY LAZY

crocodile46 - *August 19, 2020, 8:43 am*

Hello there !

Seeling my private method to earn a lot of money.PDF

100% LEGAL and RISK FREE

ONLY $15 paypal/bitcoin

Q: How much will you earn?
A: You can realistically expect $50 a day IF you are lazy.

Q: How much time do it take?
A: Few hours daily. It's not autopilot. However, once you make the money from the method, you can reinvest to make it autopilot. (I will talk about this in detail in the ebook)

Q: Is it whitehat?
A: Yes, 100%.

3 vouch copies available

It works in all countries!

People might not get that thrilled about the method coz youre a new member and dont have B-ratings yet. Consider adding some proof of earnings from your method and also giving out some vouch copies to members you deem respectable who agree to give a review. Use a contract for sales as well as the vouch copies.

If you don't mind I'll take a vouch copy.

Got my review copy.

Originality 1/10:
Honestly this book is absolutely nothing new, I've seen the exact same method in nearly every HF book. I won't go into detail but it involves a very specific hosting company.

Grammer 10/10:
Didn't see a single problem with grammar.

Customer Support:
I haven't had the need to contact OP so I can't comment on it.

Difficulty 5/10:
The method works but everyone understates how difficult it actually is. Op included tips and tricks but the method itself purely evolves around skill, spending time to learn just like a normal job.

Recommend 3/10:
I mean it will work If you have a lot of time, a good skillset, but for people that are trying to get rich quick not going to happen. The reason the score is low is because I've seen this exact method in over 50 different ebooks.
