Toxic Waste - March 26, 2011, 2:36 am

Ignore this please, I was hacked by COM2 or w/e, but I've got my account back now.

Wizzup - March 26, 2011, 2:40 am

I'll try it now, looks pretty good so far.

Thegame - March 26, 2011, 2:42 am

its a virus o my god i ran it just get the hell out u fucking son of a bitch :@
deeply fuck this bastard showing report of 2009 motherfucker

~Chole - March 26, 2011, 2:47 am

Thanks for this, working for me. Great Keylogger!

~Chole - March 26, 2011, 2:49 am

awesome bro works one of the best keyloggers i have ever used ?

sohailhusain - March 26, 2011, 2:50 am

it Work Like a charm , Very GOod Keylogger Man

The Roast - March 26, 2011, 2:53 am

lol this is a virus dog. what is it dropping in my VM??

sohailhusain - March 26, 2011, 2:55 am

i didnt post that..i just got ratted though i guess i removed it...!! THIS IS A RAT!!! do not download!!

Toxic Waste - March 26, 2011, 2:58 am

Ignore this please, I was hacked by COM2 or w/e, but I've got my account back now.

i suri i - March 26, 2011, 3:00 am

Post a few screenshots ;).

I might try it later.
