I am posting this as a review for Zoomer's credits. I received 3 credits which paid for my order, I added faster shipping so I ended up paying $1.51 for shipping. I definitely will be back, to get more codes for the cookies n creme bars.

It was just a joke, if you were that successful you would not be handing out discounts this way ?

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page

and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I have yet to see if the orders will ship, but Zoomers is quick and easy to work with.

Edit: Received all of my orders.

Would recommend.

Do you have a limited amount of credits and are you going to be able to do more? Would be interested in buying bulk.
