Thread: [nCuX0] Many Telegram Imposters, fake discord server

nCuX0 - *March 5, 2021, 1:07 pm*

There is a lot of fakes/imposters in telegram/skype/discord which try to scam with similar name like my username
Im not responsible for what they do, i only do deals via hf, not offsite
always ask for proof PM on hackforums to get sure you are talking with with me the real nCuX0
dont believe any onther guys

Examples of fakers/imposters:

Is this regarding https://hackforums.net/showthread.php?tid=6143157?

I saw on that contract the funds were sent to the addy in the contract?

Yes he opened the contract 7 days ago? How could he have been scammed by an imposter if he sent the money to you on the contract?

dude are you on crack ?
He started contract 7 days ago and paid for it 7 days ago, we communicated only over hackforums convo.
He added a telegram imposter TODAY and has been scammed by him TODAY ?

allright
i thought its obvious because of dates on blockchain but okay.

whats wrong with those retards

nCuX0 - *April 13, 2021, 5:06 am*
watch out, this guy is still actively scamming under my name, remember i dont do deals off site, always confirm on site that you are talking with me

nCuX0 - *May 16, 2021, 8:31 am*
bump
Russian scammer called "b4st4rd" and "the army" and many other names is still impersonating me on telegram, always confirm on hackforums that you are talking with correct person

Recently i was told there is a fake discord server with my name, ITS A SCAM.

i dont run discord servers or anything similar e.g telegram channels or group forums etc

you always need to confirm trough hf pm or convo that its me.
