Thread: Anyone remember that pedophile brony wave back in 2012/2013?

FinanceMan901 - *October 26, 2021, 1:10 pm*
Remember that shit when teenage kids and grown men were obsessed in that stuff and use to dress in those costumes? I'm guessing it's died down now since I haven't heard much of it but what the actual fuk was wrong with people? I use to bully a bony at my high school back then.

Were you a brony? And are you now? Or what did you think of that creep pedophile thing.

lol - *October 26, 2021, 2:11 pm*
What the hell haha can't remember... Any source or whatever?

Deany - *October 26, 2021, 2:15 pm*
They still around probably, but the scene not as big as it used to be. Speaking of brony, I would pay for the brony award if it ever returned lol.

Pikzul - *October 26, 2021, 2:15 pm*
They didnt get enough attention and it died off :D

You do realize that underage people date other underage people?
And no, not all are like that. Just like how some Minecraft youtubers were doesn't mean they all are. You're generalizing.

I'm 23 about to be 24 I'm far done with school so how am I a problem when high school was about 6+ years ago now for me?

I use to bully the kid when I was 14/15. Am I proud of it? No not really but the kid was a brony pedophile so he sort of deserved it but would I do that now? No I wouldn't care and realize even those creeps are still humans. But to me a brony = pedophile so why would I treat a pedophile nicely? come on now man. I didn't bully the weak I only bullied pedophiles.

Chief - *October 26, 2021, 2:39 pm*

You actually have no idea what you're talking about.
You don't understand what a brony even is do you? You're generalizing, makes it hard to believe you're even a human being. So if you get robbed, are you gonna judge that entire race? You're a moron.

And you're part of the problem with school, the fact you said "Am I proud? No, not really" shows you don't have any remorse and you're proud about that. You would of said "I'm not proud of it at all" then you continue to contradict yourself.

Well you're generalizing me thinking I bullied everyone. The kid was a brony so he was a pedophile. Seems like ya don't get it? Lemme explain in layman terms.

Male teenager watching a TV show meant for 2-8 year old little girls isn't right. That means the man finds pleasure in watching that show. The pleasure derives from them having a sexual fetish towards younger kids since that's how their mind is. That means they're a pedophile.

if you think that grown boys watching a show meant for little girls is OK then maybe get yourself checked out?

I even tipped that kid who works at that food joint 50 cents once so I'm not that bad at all. I put our differences aside and realized despite him being a piece of shiit and a pedophile he's still a human.

I never once said you bullied anyone other than him. I'm merely saying that you have no remorse at all. And you said "The pleasure of watching the show derives from them having a fetish towards younger kids" so are you saying the show should just get taken down since it's turning them into pedophiles? Not every single "brony" thinks like that. You're generalizing to the extreme.

It's not hard to understand if you even know what a brony is lmao.

EDIT: Yeah, that 50 cent tip will help his mental health.

I didn't say that the show is the reason they're pedophiles. If you can read I said they watch the show to give themselves pleasure for their sick twisted minds.

And yeah I don't care about the pedohiles mental health since that isn't my job. I don't treat him like garbage despite being a minimum wage worker now. I don't judge.

You implied that the show made him that way from what you just sent me.

And there's literally no reason to believe he's a pedophile for liking a show. So if an adult plays Minecraft, is that person a pedophile too?

EDIT: What you're telling me makes no sense.
Why is it only for brony's? Why not cartoons or shows meant for teenagers?

So if I go watch Drake & Josh, Ed, Edd & Eddy. Does that make me one too?

Buddy a show like my little pony vs a regular show like sponge bob or a video game like Minecraft is comparing apples and oranges.

I think you're an idiot. Buddy at least my life doesn't resolve around a forum. You must be a brony which is why you're so mad. You clearly support pedophilia you sick fuk.

I never watched it and don't plan on it.
I just call out stupidity when I see it.

I said those shows because they're meant for people underage. Yeah, there is a huge difference.
But the difference doesn't matter when it comes to adults vs underage.

You can't answer that because it destroys your dumb ass arguments.

Keep avoiding.

Idk if brony and furry are the same things, but here's an insightful video
