Thread: Poetry [Within Cage]

Within Cage

Morning, chirpin' sparrow,
Fly afar, in the vacant sky.
Like lucid star ,
Above me ,
through the ring high,
yet,
Like glowing fly in a jar.

I'm enjoying these. Maybe you could create one thread with all of your poems? Just a suggestion. Would make it easier to read all of them. Keep it up Black.

your poem lacks any structure, it's just a collection of words in an attempt to be thoughtful

Yes its free -style. But I used many poetic devices.
It really gets hard to write in a proper structure.
Thanks.
