Thread: finally posting! sorta new here

the_x - *December 24, 2021, 8:25 pm*
whats up everyone.

browsed here for a little while and finally figured i'd post.

looking to make friends and lend some help. trying to get more with linux and stay current with new tools and such.

prolly be in the beginner section for a while. accidentally did my intro there too ?

Hey and welcome to HF! Check out the Help Docs if you haven't already.

Hope you find what you're looking for here. Definitely some good stuff in the Linux, Ubuntu, Debian, and other Unix Flavors section of the forums under Tech.
