What do you all think? Are they good? Should I get them added to the gallery?

Xp3 - March 30, 2011, 11:51 pm

I like the last one, I think the first 5 are presets for CS5 Fireworks, correct me if i'm wrong

Ariana Grande - March 31, 2011, 5:43 am

I don't like them that much, because It's just text, where you changed the effects on them a couple of times. But, I got to admit, the 3rd one looks beast.

Yea, there pretty simple. Just text with small effects.
