I wanna see what ya can do something black dark colors

Yøshi - April 8, 2011, 6:59 pm

hi i am making a website i cant pm do to im limted idk y it happend im l33t.

i need some gfix done for my website its kinda hard so please message me on aim.

tvdeadassassin

Simonas00 - April 9, 2011, 10:40 am

Name: Simonas00

Colors: better to be blurry with some black or very contrasted/colorfoul.

Thanks in advance.
