Sources need to be scanned? So If I click to edit a source..boom my face...a virus?

Da Loser - April 1, 2011, 6:59 pm

(Apr 1, 2011 06:56 PM)White Hat Wrote: [\[CITE\]](#) Sources need to be scanned? So If I click to edit a source..boom my face...a virus?You're getting the wrong idea. He has STD's and was asking if we could scan his ass for viruses.

??h™ - April 1, 2011, 8:33 pm

Their is no source here, he's trolling. ^^

SyN Leprosy - April 1, 2011, 8:37 pm

Wait wait wait.... Can I run XBL with this?

Big Hecker - April 1, 2011, 8:42 pm

Downloaded it and it is fucking awesome ;)

??h™ - April 1, 2011, 10:32 pm
