Thread: Convos be wild !

Perfect - *April 29, 2024, 10:12 am*

Hey HF let’s finish that day strong !
Pop into the convos and have a good time today!

Tell me how’s the day treating you?
What’s the story for today!

Haha Perfect today's a good day to have a good day.

I also have a pretty shady sense of humor, but if I am laughing, I am okay with where I am at!! I laugh at my tragedies, misfortunes.. Sometimes are the worst moments in my life to laugh, I am doing it.

The day is kinda rough for me, aint sleep last night, but I am in good spirits. Deciding my next meal.

How are you?!

Humor is the best way out good sir, that’s why I run a meme page.
My depression sore turned into responsibility now.
We just hit 95k on my group. 100k probably next month. Life is ok. I’m content. Still battling some medical issues but we are on the right track now.

At least he didn't fuck everyone today. A couple people ran like 40-50k up which we love to see. All the more so as they've taken big hits before from that Scamley fuck.

He's like the most menacing and mischievous fly you've ever seen. Doing that little shit where it looks like they're rubbing their hands together all evil like lmao.
