Thread: How to accept bytes for a sale?

BingeFlix - *August 6, 2024, 9:32 am*

I made a sale for a small item and I accepted bytes as a payment. But when they go to give me bytes it says they have to upgrade. How do they pay me in bytes if they cant send them to me?

Charlie Sheen - *August 6, 2024, 9:45 am*

We don't allow non upgraded members to send bytes due to past abuse.
