Thread: [how to make a fake webpage and get the person's password](#)

goSupermodel - April 5, 2011, 3:20 am

like when the access the webpage they get hacked on their account, this is for gosupermodel.com. help

LionHeartLow - April 5, 2011, 3:27 am

this involves phishing, I highly suggest editing this post and removing all traces that you ever asked this question.

Off Topic: Is this an unpaid advertisement ?

On Topic: Search for phishing tut's.
