Thread: [\[eWhoring\] Sticky some Guides?](#)

TryVariational - April 5, 2011, 5:02 am

Hi guys.

I'm honestly getting pissed of at new members making new threads asking questions that have been answered thousands of times in this section.

I vote we get a mod to sticky all the good, noob friendly guides?

Whats your thoughts?

good idea, i would recommend this thread:

<https://hackforums.net/showthread.php?tid=721954>

to be sticky as it is really an ultimate guide for starters and links to all the best ones ! :)

Cheers !!

Thank you.

I agree that thread also helped me a load!

Also these would be helpful:

<https://hackforums.net/showthread.php?tid=1019085>

<https://hackforums.net/showthread.php?tid=878147> (Had to go look for it on the 6th page coz of all these noob threads being made each day)

I believe this section really needs this!

I think a master list of guides should be stickied. Not the guides themselves. Not sure which to choes due to that though...

I agree, like the one CyberPhunk recommended.

Also maybe add the "Post Your E-Whore Questions Here" thread by Compass.

Come on guys I need more comments on this!

Tate's Daughter - April 7, 2011, 8:00 am

Tate's Daughter - April 26, 2011, 9:24 am

im such a gravedigger but mods need to see this

metalpanda - April 26, 2011, 11:10 am

Why not PM a mod, instead of hoping that they will see it?

TryVariational - April 27, 2011, 1:06 am

I actually did PM one. He didn't reply.

I'll send a PM to another mod right now.

One Punch Man - April 27, 2011, 1:24 am

I agree with this too. Good threads are getting buried by n00bs asking questions that have been answered over and over.

This is exactly what I'm talking about. Its so unnecessary.

All the good guides and Tuts are being buried.

I think you should make 2 new threads and Sticky it.

I was thinking of making it long back.

But couldn't coz of few problems.

1. eWhoring Success [Where people can post up their success stories and proofs, which will avoid them to make new thread again and again]
2. eWhoring Questions.[Any one can answer the doubts]
3. PayPal issues[PayPal experts can helps others on how to keep their paypal from getting limited and other which WONT involve "how to hack paypal" or anything related to that]

Should i made any?

You can sticky threads by yourself?

TryVariational - April 27, 2011, 2:52 am

No he can't.

But I like his idea somewhat. Maybe make 2 sub sections? One for Questions and the other for TuTs and Pic Giveaways.

Creator. - April 27, 2011, 2:57 am

Yeah.

One for questions and other for tuts and one more for Success Stories.

No need for a success stories sub forum.

Hopefully a mod can leave his views on this also!

Any mods want to leave their views on this?

It's craziness. Noobs don't even use the search button half the time. We NEED a Ultimate Guide stickied.

Mr. Zexi - *May 7, 2011, 8:35 am*

damncoldnight - *March 4, 2012, 8:25 pm*
