Thread: Job Opportunity: Landing Page Designer with SEO Expertise

SIM-5481475 - *January 12, 2025, 5:11 am*

We’re looking for a skilled web designer to create SEO-optimized landing pages. Each page will feature images, strategically placed SEO keywords, and well-written content.

Requirements:

Strong knowledge of SEO best practices.

Ability to design visually appealing and user-friendly pages.

Experience in creating keyword-optimized content.

Details:

Ongoing work: a few pages needed each week.
Payment: $50–$100 per page.
References and examples will be provided for guidance.
If interested, please reach out with your portfolio and experience!
