Thread: ? Facebook AD Account Restoration ? Restore Your Advertising Ability Today! ?

Moooookie - *February 14, 2025, 5:24 am*

WARNING: Don't allow yourself to get SCAMMED by new sellers, and sellers that were previously kicked off the site for scamming. I have been receiving an increased amount of messages from potential buyers informing me that they have been scammed by "new" service providers on the forum when trying to purchase Social Media Services. Many of them are the same user with multiple accounts, that attempt to lure buyers off-site to Telegram, with promises of cheap service prices, and in return walk away with buyers money. Once your money is gone, you're not getting it back. I'm not saying that you have to purchase from me, but I would ask that you please do your due diligence before spending money with individuals that lack credibility. Don't let trying to save money, lead you to losing your money all together!

FACEBOOK AD ACCOUNT RECOVERY

Has your Facebook AD Account been suspended or disabled, and you're no longer able to place ADs? That's not a problem, we're here to help you get your FB ADs Account back up and running. It's no secret that Meta has horrible support, and that when things go bad.. it's not very easy to get them corrected, as it's difficult to contact support, and when you do contact support.. a lot of times they're not trained well enough to handle your inquiry. This is no longer a problem, as we have a contact that works directly with Meta Reps.

My team will fix things from the backend, removing any strikes or violations on the account, which in turn will reactivate your Facebook ADs Account, and give you the ability to start running ADs again. Turn around time for the job is 1 - 7 business days.

If your AD Account was disabled for violating the TOS on Fraud, we will not be able to restore your account.

This service is specifically for restoring your Facebook AD Account, nothing else!

If your Business Manager, or any other Assets are disabled, and you would like to get them recovered, we can help you with this as well.. but that would be a completely separate service.

As you may see this is the first contract on HF and I'm still in awe.

From the start, he demonstrated a level of professional integrity that is increasingly rare. Not only was the work delivered to an exceptional standard (the targeted account has more than 200k followers), but it was also completed within timeframe.

I encountered few impostors claiming "to work with him @ him working with them" (which is a total bullsh*t).
That's when I know every other competitors are trying hard to associate themselves with him & that alone tells me he's the actual GOAT.
So for those still looking, this is the guy you should look for.

What truly sets him apart is his transparency.
He provided consistent updates during transfer and managed expectations realistically. I didn't even need an MM (do so at your own discretion).

I give Moooookie my highest recommendation for anyone seeking for similar service.
He has earned my full confidence, and I look forward to our next collaboration.

Moooookie really worked day and night, almost literally. He went the extra mile for me in every way. He was always super informative and even after the task was completed he still continued to guide and help me.

Many times I was about to give up, but he NEVER gave up. And every time something new was tried, he was open about it being my own choice whether we should continue, or I could always get my money back.

You can't find a better man for the job than Moooookie. He is the absolute best!

He answered everything thoroughly and professionally, which I really appreciated. To top it all off, he even matched the price of another vendor I typically use for my social media-related issues.

Be Aware of Sellers Trying To Lure Your Off-Site: Don't allow any Seller to lure you off-site to conduct a deal. All deals should be conducted on-site, to avoid chat manipulation and scams. If you want to use a MiddleMan, and a Seller refuses to use a MiddleMan.. DO NOT CONDUCT THE DEAL. There has been evidence of "Reputable Sellers" luring buyers off-site, and refusing to use a MiddleMan when selling services. This is the number one way to get scammed.

It's against HF Rules for a Seller to refuse a MiddleMan. It's also against HF Rules for a Seller to force a deal to be conducted off-site. All business deals should be conducted on-site. Why? This ensures that all conversation between you and the seller are transparent, and the conversations can't be deleted by either party. Yes, unfortunately this type of thing happens on-site.. even with Sellers that are supposed to be "Reputable". So do yourself a favor, and stay on-site with any business transactions.. and if you're not comfortable sending a seller payment upfront, demand that they use a MiddleMan. If they refuse, report them to Staff.

You need to understand, that deals conducted off-site are not back by our Deal-Dispute feature. So if you allow a Seller to convince you to do a deal off-site, and you get scammed.. you won't be getting your money back, and it's a chance they may not be held responsible. You can avoid all of this, by simply staying on-site with all your business transactions.

How To Contact Me For Service:
There are a few ways that you can use to reach out to me for service, one of them being by simply leaving a message on this thread.. and I will reach out to you via Private Message within a few hours. The second method of contacting me for service is you can send me a Private Message here on the forum.. but for various reasons, that doesn't always happen. So in the event you're unable to contact me thru Private Message here on the forum, see my Alternative Contact:

While I won't negotiate, or conduct any deals off-site.. if I'm not online, or you're having a difficulty reaching me, you can send me a message on Discord, and I will reach out to you from there. Copy & Paste my Discord Username. There have been known to be scammers who try and create accounts with similar usernames, in an attempt to manipulate buyers into contacting the wrong person.

For this reason, I recommend you to Copy & Paste @MoooookieHF and paste it into the search on Discord.

To ensure you're speaking with me, and not an imposter.. have me confirm who I am by having me send you a message here on the forum. If the person you're speaking with is not willing to confirm that they're indeed me, then you're not speaking with me.

I WILL NEVER SEND YOU A FRIEND REQUEST FIRST ON DISCORD, OR ANY OTHER PLATFORM!
DON'T ALLOW YOURSELF TO BE SCAMMED BY ANY OF THESE BROKE DESPERATE SCAMMERS!

Buy With Confidence:
Our overall objective is to make sure our customer is satisfied. We have a Perfect Selling History, and have never had any Deal-Disputes! Buy with confidence, knowing that you will get exactly what you paid for, with no issues later down the road.. and if a problem was to occur, that we will work with you to get it resolved. That's our GUARANTEE.

Don't Get Scammed - Do Your Due Diligence!
Want to check whether the Seller you're getting ready to do a deal with has past Deal Disputes? Simple. Click the Search Icon at the top of the forum, Click 'Advanced Search', Type the Sellers UID (the last 7 digits of the users profile URL) into Keyword Box, Select 'Entire Post', Select 'Deal Disputes' in the Forums List as shown in the image below, and Click Search. This will display all Deal Disputes opened against said Seller.

Like any other place on the internet, Hack Forums has it's fair share of Scammers and unreliable Sellers. To help Buyers get a better feel for who they're doing business with, we have a thing called

a Credibility Rating. Included in this are 3 ratings.. Excellent, Average, and Poor. Each one of these numbers indicates a deal they've done on-site.

These ratings are how previous Buyers scored their deal with said Seller. While you shouldn't make your sole decision based off a Sellers Credibility Rating, it can give you a good indication on which Sellers to avoid doing business with. The higher the number, the more deals they've done on-site. If you see RED - this is a good sign that you should do your due diligence on this Seller, or might want to avoid doing business with the Seller all together, as previous buyers have had a bad experience with them.. and the Seller did not take the time to make things right before closing the contract. For more details, you can click on any Sellers Username and their Credibility Rating and get more details as to why said Buyers gave them that rating!

Hi there! I am looking to get in contact with you. Yesterday I tried to setup a FB Business Manager account, but when I linked my Instagram account at Business Portfolio, I received an email from Meta for Business that my account was restricted and I can't create or run ads and I can't use or share audiences.
Also said :
"Why this happened
It looks like this account was created or used with an automation that doesn’t follow our rules. This goes against our Advertising Standards on Account Integrity."

I requested a review, I was asked to upload my national ID or passport or DL, I uploaded my Driver license and in 1 hour I received a response from them, on the other email with which I registered on Business Portfolio that :
"We did not remove restrictions on your Business Account"

Can you help me with this ? Exist any possibility to restore the FB ads account ?

Thank you and waiting for your reply with interest.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
