Thread: [How to make money with uploading! \[No survey sites\]](#)

Hopsin - April 5, 2011, 10:45 am

This simple tutorial was made by me (Hopsin). So upload and make money + get money from me (half of my referrals earnings :D)

ATTENTION,IF YOU ARE GOING TO SIGN UP VIA MY REFERRAL LINK,I'LL SEND YOU THE HALF OF THE BENEFITS (Money)! Which is more money for you & for me

What i mean? If you upload and have example 20 usd at your # account. I'll have like 15 usd for referring you,you'll get 7.50 usd from my referral) {This is an example}

I'll show you 3 uploading websites which are legit and pay the most (Which i've used).

Uploading Site 1:

<http://#.com> - Referral system rate: 20%

Details:

You upload files and get paid when someone else downloads, right? And how much you earn depends on the file size?

Nice list thank you for collecting them! :)

I've heard that # started deleting files and suspending accounts due to some privacy policy issues. Fileserve and filesonic are OK. You could give a forum list or something so your referrals will earn faster.
