Thread: Best book you've read recently?

chroma_x - *February 18, 2025, 10:09 pm*
I'm in a reading slump and need some recommendations. What's the best book you've read in the last few months? Genre doesn't matter, I'm open to anything! Tell me why you loved it too!

TheGoldenRelik - *February 18, 2025, 10:31 pm*
Just enough research by Erika Hall

chroma_x - *February 18, 2025, 10:32 pm*
Never heard of it, ill check it out thanks !

Helsinki1 - *February 18, 2025, 11:14 pm*
I don't like reading books :))

Flan. - *February 19, 2025, 7:30 am*
Green Eggs & Ham classic

Pr0m3th3us - *February 19, 2025, 3:39 pm*
Empire of the Summer Moon: Quanah Parker and the Rise and Fall of the Comanches, the Most Powerful Indian Tribe in American History

extremely good and terrifying book.

Did they do some really really terrible things? I saw some Native American guy on Reddit talking about the terrible things that tribes did that people sanitise completely to be PC, but man it was their way to get other tribes not to fuck with them they'd do horrendous torture in the hopes it would be passed along as gossip to stay away.
[Side note a lot of online wannabe romance scammers in Africa will create a profile where they put up a picture of a white guy who works in oil or the US military and list their race as Native American because they don't know what Native American means. ?]

The Comanches were the most violent tribe in NA. Even when trying to expand the railroad westward the government had to send in the US army to try to clear them out and push them back.

The Texas rangers were formed specifically to deal with them after 1836. They controlled most of Texas, Oklahoma, some of eastern New Mexico and some of northern Mexico at their height. But would travel as far as Kansas, Colorado and Arizona to raid and pillage. They kidnapped tons of people. That’s what the book is about, a white woman kidnapped and bore a child that grew up a Comanche and ended up being the most brutal of all and expanded their territory greatly.

The master key by Charles Haane, I'm still currently reading it but it's pretty good

Red-Baron - *February 20, 2025, 5:31 am*
I currently read 'Michael Crichton - prey' an amazing tech thriller. Really recommend it

Chorozon - *February 20, 2025, 5:44 am*
The holy bible ! everyone find jesus

diablospartan - *February 20, 2025, 7:20 am*
Well the sad part its i dont have time to read as i am so busy with my real job and online business as well that even when i travel in the bus i am working on my phone
In the past i read a great book called Psychocybernetics by John Maxwel and its amazing one as it teach you to program your subcoentient mind ,change the story etc

RangoWorld - *February 20, 2025, 12:01 pm*
It has to be Meditations by Marcus Aurelius. I actually re read it.

scofiolld - *February 20, 2025, 12:01 pm*
Just enough research by Erika Hall

Blockonome - *February 20, 2025, 12:14 pm*
I should really be getting back to reading after looking at this thread!

Fresku - *March 2, 2025, 4:01 pm*
"Nieuw sociaal contract"

A dutch local book, written by a politician, really recommended.

Pr0m3th3us - *March 12, 2025, 3:25 am*
I just ordered this and am really looking forward to reading it. I have to many books I need to read first though honesty.

Quote:In August 1945 Great Britain, France, the USSR, and the United States established a tribunal at Nuremberg to try military and civilian leaders of the Nazi regime. G. M. Gilbert, the prison psychologist, had an unrivaled firsthand opportunity to watch and question the Nazi war criminals. With scientific dispassion he encouraged Göering, Speer, Hess, Ribbentrop, Frank, Jodl, Keitel, Streicher, and the others to reveal their innermost thoughts. In the process Gilbert exposed what motivated them to create the distorted Aryan utopia and the nightmarish worlds of Auschwitz,

Dachau, and Buchenwald. Here are their day-to-day reactions to the trial proceedings; their off-the-record opinions of Hitler, the Third Reich, and each other; their views on slave labor, death camps, and the Jews; their testimony, feuds, and desperate maneuverings to dissociate themselves from the Third Reich's defeat and Nazi guilt. Dr. Gilbert's thorough knowledge of German, deliberately informal approach, and complete freedom of access at all times to the defendants give his spellbinding, chilling study an intimacy and insight that remains unequaled.

I actually don't do too much reading. Mostly on the internet and for things related to AI.

Blogger - *April 8, 2025, 7:49 pm*

I just read Sunrise On The Reaping by Sizanne Collins. I highly recommend it if you're a fan of dystopia, a post-apocalyptic world, YA, or The Hunger Games.
