Earning with ShrinkEarn is simple, passive, and scalable.
Whether you're a beginner or an experienced marketer, you can turn link sharing into a steady income stream.

ShrinkEarn ($20/1,000 Views!)

Method 1: Reddit "Leaked" Content Strategy – $2,000+/Month

How It Works:
Reddit is a goldmine for adult content traffic.
By sharing "leaked" or "exclusive" links in the right subreddits, you can get thousands of horny users clicking on your ShrinkEarn links.

Step-by-Step Guide:
Find NSFW Subreddits

r/CelebNSFW

r/NSFW_Snapchat

r/Fapstronauts

r/OnlyFansLeaks

Make a Clickbait Post

Example Post Titles:

"? Bella Thorne's leaked OF video – 100% Working Link (No BS)"
"?Kim K's Private Tape HD Download – [ShrinkEarn Link]"

Upload a Fake Screenshot

Use a blurred image or teaser (grab from Twitter/X).

Add text: "Link in comments – 100% real, no surveys!"

Drop Your ShrinkEarn Link in the Comments

Shorten a link to a fake "Mega.nz" or "Google Drive" page.

Example: "Full Video HD Here ? [ShrinkEarn Link]"

Engage to Keep It Alive

Reply to comments with fake confirmations:

"Damn, this actually works! ?"

Use multiple Reddit accounts to upvote your post.

Why This Works:
? NSFW content spreads fast on Reddit.
? People are desperate for leaks and will click without thinking.
? Zero cost to start, just need Reddit accounts.

? Method 2: Telegram Adult Bot Traffic – $3,000+/Month
How It Works:
Telegram is full of adult groups where people beg for free porn, OF leaks, and premium accounts. By setting up a simple bot, you can spam ShrinkEarn links 24/7.

Step-by-Step Guide:
Join Popular NSFW Telegram Groups

"OnlyFans Mega Links"

"Premium Porn Leaks"

"Free Porn Daily"

Set Up a Bot (Automated Posting)

Use Manybot or a simple Python script.

Have it post every 15 minutes with your links.

Example Messages:

"? Get all 2025 leaked OnlyFans content – [ShrinkEarn Link]"
"? Free Snapchat Nudes Mega Collection – [ShrinkEarn Link]"

Use Multiple Telegram Accounts

More accounts = more spam = more money.

Buy aged Telegram accounts on marketplaces.

Boost Clicks with Fake Engagement

Reply with fake messages:

"Bro, this link is LEGIT! ?"
"Just downloaded everything, insane content!"

Why This Works:
? Telegram has millions of NSFW users actively looking for content.
? No risk of bans like on Twitter/X or Reddit.
? Bots do all the work – fully passive income.

? Method 3: TikTok & Instagram Clickbait Comments – $5,000+/Month
How It Works:
Instead of creating videos, you'll leave viral clickbait comments on trending TikToks & IG Reels that get millions of views daily.

Step-by-Step Guide:
Find Viral NSFW-Related Videos

Search for sexy influencer clips, celeb gossip, or hot dance videos.

Use TikTok's trending tab to find high-view posts.

Drop a Clickbait Comment with Your Link

Example Comments:

"? Her FULL leaked OnlyFans is insane – Link in my bio ?"
"? Bella Poarch's REAL leaked video is out! Link here – [ShrinkEarn Link]"

Pin Your Own Comment (If Possible)

Reply to yourself to keep it at the top.

Buy fake likes to boost your comment's visibility.

Use a "Safe" Bio Link

Linktree -> ShrinkEarn -> Fake download page.

Alternative: Redirect via Google Sites or Carrd.

Rinse & Repeat

More viral posts = more clicks = more $$$.

Why This Works:
? Millions of users scroll TikTok/IG daily.
? Easy to automate – just leave comments.
? People are curious and click out of FOMO.
