What every happened to Halloween's Mischief Night?
I feel like this completely died (for good reasons), I'm just very surprised.

Kids always went egging and all that during the night before Halloween, maybe being 28 makes me old if not many people know what this night is ?

I know what it is but it wasnt that popular in my area
I think the kids nowadays forgot about it. its good that it died off though as ive heard in some cities it was crazy..

Never saw anything since I was a kid, maybe it was my area but I think this has been gone for decades besides maybe the rare occasion.
