Thread: [Dengee versus Share Cash](#)

Nelson™ - April 11, 2011, 7:11 pm

Over the past few days, I was seeing a lot posts and threads about Dengee around the forums. I was wondering if Dengee would be worth a try. What are your thoughts on Dengee. Do you believe that it is better than \$harecash?

Riseing - April 11, 2011, 7:25 pm

In about 24 hours I'll have all of my content behind my own lock and I won't need to use these middlemen.

TeamBreta - April 11, 2011, 7:30 pm

yes I belive Dengee is better than \$harecash

tubby1 - April 12, 2011, 1:14 am

Share Cash is a scam site run by fraudsters, so dengee.

Just out of curiosity, what makes you say that \$harecash is fraud? I just received a payment of \$13.44 from them last night. ?
