PM me your msn. I hope you can start my firewall service which i bet my left nut u cannot.

Dribbles - April 18, 2011, 3:37 am

I would like this please add my msn
bedgie@hotmail.com.au
We will talk on there thanks mate (:

skozyy - January 11, 2012, 10:32 pm

i will want a rat set up in my pc...i have teamviewer

Crosshair5599 - January 12, 2012, 10:28 pm

Please help set up rat, I got teamviewer.

captobvious - September 15, 2012, 2:42 pm

yo help me get a rat and setup??? please?

We Do Not Forget - September 15, 2012, 5:28 pm

I don't know if my router can portforward ive tried many times my options are UDP, TCP, GRE... wtf
is gre? never seen it before add me on skype if you can help @nextoracle

scriptyMOE - December 14, 2013, 4:11 am

Thanks for the share mate, much appreciated.

ItzGucci_ddFF - February 18, 2015, 5:08 pm

Nice Service Man :D I LOVE IT Thanks for your help

gxcaptain - March 1, 2015, 8:07 pm

yo i need duh help
cuz i dont know how to setup a rat
