Thread: [Xbox Live Account Giveaway \[Winner: TheH@ckerXtreme\]](#)

Wolves - April 15, 2011, 12:13 pm

I've had in my possession, an account for over a month or two now, changed password and Windows Live ID from the Yahoo email, and still have access to the email as well. I'm almost certain that there is no way he can recover it, but after all, I'm not too into the account jacking as others.

The GT is decent, it's a name, the player seems fairly popular too from various messages I've seen on it. This account has not been recovered on any xbox since it was jacked.

The account plays Black Ops, Modern Warfare 1 and 2, and many various sports games. The account also had a 3 month subscription added to it a month ago.

I guess the best method will be to pick a number, and possibly explain why you want it/something about yourself to help me get to know various members since I'm not too well known here.

The Requirements:

I'd prefer this to go to active members.

No negative rep users area allowed to enter.

Of course L33t and Ub3rs are preferred, but Normal members are allowed at my discretion.

(I'll see if you are HQ, becoming HQ, or have contributed to HF to my standard.)

If all numbers are not chosen within two hours, I'll go ahead and pick a number. If the number chosen from Random.org, I will generate again, not choose the closest, as I feel that isn't very fair.

The winner is.... TheH@ckerXtreme! With number 12.

Okay you got me hooked lol. Can I please pick the number 9. I would like this gamertag because of the mystery lol. I'm pretty interested on the name and why it receives so many messages a day. It seems like a cool tag from the description. I would love to have this tag and play some call of duty or some halo 3 with my friends. Good luck to all that post. Thanks to the Op for this very generous giveaway!

I've added all those who've posted a number.

Although some of the members I'm not sure of, I'll give them the benefit of the doubt, just try and get up there to those I'm talking about.

Frowney, someone posted just before you, I'll put you as number 10, if you are opposed to that, just post a new number.
