Cmon this is the 5th scam report against him and no staff has banned him yet? Bullshit.

HackForums staff doesn't ban scammers, because Omni has stated he doesn't want to be involved in the marketplace.

**Jay Bear** - April 15, 2011, 8:31 pm

This user has been banned before but apparently Crow unbans him everytime.

Omni states:

"Staff on occassion will ban a scammer if indeed the evidence is on site and apparent. We simply cannot trust any accusations where no evidence exists or if evidence is off-site."

Isn't 5 scam reports already "enough evidence" to ban that freaking scammer?

wow... I'm sorry, but that just doesn't sound right. Scamming is probably one of the worst things you could do on this site. (other than infecting other members)

Deal disputes are made everyday. And most Ub3rs get away with shit like this constantly.

**Arachnida** - April 16, 2011, 8:33 am

He's online and NO ONE cares...

C'mon staff..

**OldFag** - April 16, 2011, 11:36 am

I care bro, but the staff isn't doing anything.

**Baked** - April 16, 2011, 11:41 am

You told him "Say goodbye to your 2008 account."

That's just stupid thing to say, just going to have to deal with it.

But no one cares.

**? Elektrisk ?** - April 19, 2011, 12:46 pm

The whole "staff doesn't get involved in scam reports" claim is bullshit. Sometimes staff sticks their nose where it doesn't belong and sometimes they leave you to die. It's that simple. They pick and choose which situations to deal with. That's how this forum works.

**ruNe0** - May 3, 2011, 6:05 pm

Dont trust Ectoplasm is scammed !

**i.Kawasaki** - May 4, 2011, 8:29 am

Ectoplasm lives in the same city. He is some scrawny little white kid. If you would like me to talk to him in real life, I offer a service for this.

**I am fool** - May 4, 2011, 8:51 am

**Arachnida** - May 5, 2011, 4:11 pm
